

Spec. Sheet

Monterey Tan - Decomposed Granite (DG)

Gradation

SIEVE SIZE	PERCENT PASSING
2" - 50.00 mm	100
1.5" - 37.50 mm	100
1" - 25.00 mm	100
3/4" - 19.0 mm	100
1/2" - 12.50 mm	100
3/8" - 9.50 mm	100
No.4 - 4.75 mm	98
No.8 - 2.36 mm	81
No.16 - 1.18 mm	60
No.30 - 600 µm	41
No.50 - 300 µm	26
No.100 - 150 µm	17
No. 200 - 75 µm	10.6

Material Description

Monterey Tan Decomposed Granite (DG) is a natural, finely crushed granite with warm tan and golden tones. This 3/8" minus material includes fines for excellent compaction, making it ideal for pathways, patios, xeriscaping, and park trails.

Available in bulk

Material Specifications

- Gradation (Percent Passing):
- 3/8" (9.5 mm): 100%
- No. 4 (4.75 mm): 98%
- No. 8 (2.36 mm): 81%
- No. 16 (1.18 mm): 60%
- No. 30 (0.60 mm): 41%
- No. 50 (0.30 mm): 26%
- No. 100 (0.15 mm): 17%
- No. 200 (0.075 mm): 10%
- Packing: Bulk, Super Sack, or 40 lb. Bags

Relevant ASTM Standards

- ASTM C136: Sieve Analysis of Fine and Coarse Aggregates
- ASTM D2419: Sand Equivalent Value
- ASTM D422: Particle Size Analysis of Soils
- ASTM D1557: Modified Proctor Compaction
- ASTM D2487: Unified Soil Classification System

Compaction & Installation Notes

Compact DG using a vibratory plate compactor to 90-95% of maximum Modified Proctor density (ASTM D1557).

Moisture should be added during compaction to enhance cohesion and reduce dust.

Common Applications

- Garden Trails
- Xeriscape Landscaping
- Patio Subbase
- Walkways and Pathways
- Bocce Ball Courts

Color & Appearance

Monterey Tan features natural golden and tan earth tones. Color may deepen slightly when moist and lighten over time due to sun exposure.

Disclaimers

- All gradation sizes are nominal and may vary slightly.
- Product contains natural fines that enhance compaction.
- Color variation is natural and expected.

Note: All listed data/testing results is provided by the aggregate producer or 3rd party laboratory. North Bay Materials does not perform or offer in-house aggregate testing.

Disclaimer – Aggregate Material Limitations and Liability:

Please note: Due to natural shifting and separation that can happen during transportation, aggregate gradations are only guaranteed at the producer's facility—not at the jobsite. North Bay Materials and our suppliers make no claims or guarantees that this material will meet specific project requirements, specifications, or design standards. It is the buyer's responsibility to confirm suitability and obtain any necessary approvals or certifications prior to use. All materials are provided as *is*, with no warranties—express or implied—including but not limited to warranties of merchantability or fitness for a particular purpose. We do not guarantee how the material will perform once installed or in any finished work. By purchasing, the buyer agrees that North Bay Materials and our suppliers are not liable for any damages—including indirect, incidental, special, or consequential losses such as lost profits—whether based on warranty, contract, negligence, or any other legal theory, even if those damages were foreseeable.
